Dear Miss Shiba:

We are in receipt of your money order for $2.50 for 5 certified copies of birth records of your sisters and brothers.

In checking these records, there seems to be a discrepancy in the number of children of this mother at the time each child was born, they are not consistent in number.

Kindly advise on the bottom of this letter the name of each child for whom you wish record, listing the number in order of birth, for instance, Was Ume the first child and Shigeko the second etc? We must have this correct statement before we can issue you copies. Dr. Patterson had both Yosha and Tome listed as the 6th child, which we know is incorrect.

Awaiting your response, we are,

Very truly yours,
